Sandwich / Salad Unit

Food Prep Tables
J Series

Model : JST-36

FEATURES & BENEFITS

Hot gas condensate system
Only Turbo Air models

Through Turbo Air's creative innovation, the condensate system surfaces have been specially treated to resist corrosion. This not only increases efficiency without the risk of refrigerant leakage from corrosion, but also prevents the overflow of condensate water.

Side mount compressor unit

By positioning the compressor on the side of the unit, refrigerators can now be serviced without being moved. Our innovative, front breathing feature also allows this model to provide high efficiency in narrow spaces.

Efficient refrigeration system

Turbo Air J series refrigerators are designed with oversized and balanced (CFC Free R-134A) refrigeration systems. These include efficient evaporators and condensers for faster cooling and greater efficiency.

9-1/2" deep, 1/2" thick cutting board included with convenient side rail

Exterior & interior of the cabinet

The Turbo Air J series boasts a stainless steel exterior (galvanized steel back and bottom). Interior is stainless steel floor with AL sides, back and AL door liners. It guarantees the utmost in cleanliness and long product life. It can add a touch of style to the most refined setting.

High-density polyurethane insulation

The entire cabinet structure and solid doors are foamed-in-place using high density, CFC free polyurethane insulation.

Ergonomically designed doors

Customers' fatigue fades away with easy grip handles and doors that open effortlessly. These features along with self-closing doors make this the ultimate choice in customer convenience.

Adjustable, heavy duty, PE (polyethylene) coated wire shelves

Magnetic door gaskets

Magnetic door gaskets are of one piece construction, removable without tools for ease of cleaning and replacement.

Refrigerator holds 33°F ~ 39°F for the best in food preservation

Intertek Intertek ISO9001:2008 2 YEAR PARTS AND LABOR WARRANTY Compressor 5 YEAR WARRANTY (U.S.A only)

PLAN VIEW

- **WARRANTY :** 2 Year Parts and Labor Warranty
  Additional 3 Year Warranty on Compressor

- ***Self-contained system***
- ***Standard 4" dia. swivel casters with locks on the front set***
- ***Standard 1/6 size, 4" deep condiment pans included***
- ***2.5" dia. casters available (optional)***
- ***Legs available (optional)***

- **OPTIONAL ACCESSORIES :**
  - ❑ 2.5" caster, ½" diameter & 13 TPI: 30265H0100 (non-brake), 30265H0200 (w/ brake)
  - ❑ 5" caster, ½" diameter & 13 TPI: M726500100 (non-brake), M726500200 (w/ brake)
  - ❑ 6" ABS plastic leg: 30221M0200
  - ❑ 6" stainless steel leg: 30221M0600
  - ❑ Additional PE coated wire shelf: BR99000102

- **Door lock: extra lead time will apply, please call factory for more details to order**
