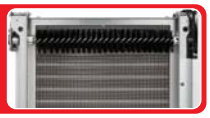
M3 Series

Model : MST-36

Self-Cleaning Condenser



NO MAINTENANCE REQUIRED

FEATURES & BENEFITS

- ***Self-cleaning condenser device*** **Only at Turbo Air**
  The accumulation of dust in the condenser causes the failure or breakdown of refrigerators. Refrigerators run normally until they reach a certain level of accumulation. At some point, when they are over the limit, their performance drops quickly resulting in damage to, or disposal of the stored products in refrigerators. The self-cleaning condenser device keeps the condenser clean and prevents system failure by automatically brushing daily.

- ***Cold air compartment***
  Our innovative "Cold Air Compartment" maintains temperature evenly for each pan to preserve fresh food longer. In addition, the compartment isolates pans from the reach-in area to prevent food spillage.

- ***Stainless steel cabinet construction***
  The Turbo Air M3 model boasts a stainless steel exterior (galvanized steel back and bottom). Interior is stainless steel floor with AL sides and back. It guarantees the utmost in cleanliness and long product life. It can add a touch of style to the most refined setting.

- ***Hot gas condensate system*** **Only Turbo Air models**
  Through Turbo Air's creative innovation, the condensate system surfaces have been specially treated to resist corrosion. This not only increases efficiency without the risk of refrigerant leakage from corrosion, but also prevents the overflow of condensate water.

- ***9-1/2" deep, 1/2" thick cutting board included with convenient side rail***

- ***Efficient refrigeration system***
  Turbo Air's M3 solid door refrigerators are designed with oversized and balanced (CFC Free R-134A) refrigeration systems. These include efficient evaporators and condensers for faster cooling and greater efficiency.

- ***High-density polyurethane insulation***
  The entire cabinet structure and solid doors are foamed-in-place using high density, CFC free polyurethane insulation.

- ***Adjustable, heavy duty, PE (polyethylene) coated wire shelves***

- ***Refrigerator holds 33°F ~ 39°F for the best in food preservation***

NSF · ETL Intertek · CQC ISO9001:2008 · 3 YEAR PARTS AND LABOR WARRANTY · Compressor 5 YEAR WARRANTY (U.S.A only)

PLAN VIEW

- **WARRANTY :** 3 Year Parts and Labor Warranty
  Additional 2 Year Warranty on Compressor

- ***Self-contained system***
- ***Standard 4" dia. swivel casters with locks on the front set***
- ***Standard 1/6 size, 4" deep condiment pans included***
- ***2.5" dia. casters available (optional) & Legs available (optional)***
- ***Removable food covers available (optional)***
- ***Stainless steel double overshelf available (optional)***

- **OPTIONAL ACCESSORIES :**
  - ❑ 2.5" caster, ½" diameter & 13 TPI: 30265H0100 (non-brake), 30265H0200 (w/ brake)
  - ❑ 5" caster, ½" diameter & 13 TPI: M726500100 (non-brake), M726500200 (w/ brake)
  - ❑ 6" ABS plastic leg: 30221M0200
  - ❑ 6" stainless steel leg: 30221M0600
  - ❑ Additional PE coated wire shelf: WM37800100
  - ❑ Removable food cover: RCT-36
  - ❑ Stainless steel double overshelf: TSOS-3R

- **Door lock: extra lead time will apply, please call factory for more details to order**
- **External digital thermometer: extra lead time will apply, please call factory for more details to order**
